An AA/EEO employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX and ADA requirements.

**Help your child learn to problem solve** in 6 weeks to see positive changes in:

- waiting for what they want
- sharing & taking turns
- remaining calm in frustrating situations

**Participants will:**

- Learn the “I Can Problem Solve” discipline ladder.
- Use word-pairs to build a vocabulary for problem solving.
- Give children skills to solve problems taking into account their own and others’ feelings.

**Comments from Richland County Parents:**

“My family is happier.”                      “(we are) yelling less.”

“I talk to my son about how his feelings and actions affect others.”

*Children as young as 4 can learn to think for themselves in ways most of us never thought possible.*
