

WHAT DOES YOUR FUTURE LOOK LIKE?

Visioning is an important exercise to help you and your farm business reach your potential and its potential.

PERSONAL VISION

**3 YEARS
FROM NOW**

What do you do?

Where do you live?

What are your daily responsibilities?

Where do you get your income to pay your living expenses?

**5 YEARS
FROM NOW**

What do you do?

Where do you live?

What are your daily responsibilities?

Where do you get your income to pay your living expenses?

**Remember: The best way to predict the future is to create it.
Creating your future starts with thinking about it.**

FARM BUSINESS VISION

**3 YEARS
FROM NOW**
