Questions? Call the Extension Richland County Office at 647-6148 or the Richland County Fair Office at 647-6859.

If exhibiting one species, for example, Beef (Dept. 102), only one form is required.

If exhibiting more than one species – a separate form for each species is required. Examples:

- If you are exhibiting both Beef (Dept. 102) and Poultry (Dept. 107), two forms are required; one for each species.
- If you are exhibiting both Dairy (Dept. 101) and Beef (Dept. 102), two forms are required; one for each species.

If more than one family member is exhibiting, all animals of the same species may be listed on one form. An additional form is needed for each species that will be exhibited.

- *If a family has two youth showing Sheep (Dept. 104), all of the animals can be listed on the same form/family.*
- *If a family has two youth and one is showing Poultry (Dept. 107) and the other is showing Dairy (Dept. 101), they will need to fill out two forms.*
