

RICHLAND COUNTY JUNIOR SHEEP/GOAT MANAGERIAL

PROJECT AGREEMENT OBJECTIVES

1. To develop character, knowledge and a sense of responsibility in the sheep/goat project.
2. To maintain or increase the number of youth carrying the sheep/goat project.
3. To provide the opportunity to work with sheep/goats for non-farm youth and farm youth.

RULES

1. The managerial project pertains to Junior breeding stock sheep/goats.
2. The program is available to any member, hereafter referred to as the Lessee, in good standing in a Richland County Fair board approved group or organization.
3. The owner will jointly determine with the Lessee specific responsibilities to be carried out by the Lessee. The responsibilities will be recorded on the Richland County Junior Sheep/Goat Managerial Project Agreement and will list items such as:
 - a. When the animal stays on the owner's premises, that Lessee shall enter into an Agreement with the owner regarding Lessee's responsibilities as to the care of the animal or the group of animals that it is a part of.
 - b. When the Lessee has possession of the animal, they shall enter into an Agreement with the owner regarding the allocation of responsibilities for feed, veterinarian care, breeding and insurance.
4. At the Richland County Fair, ownership of an animal by a junior exhibitor is established when the animal is registered in the name of the exhibitor. Co-ownership is allowed between immediate junior family members (i.e., brother, sister). Animals owned by parents, the family farm or others are considered managerial.

Managerial forms are not required when the managerial animal is owned by the junior member's immediate family (brother, sister, parent or family farm). For all other leased animals, a form must be completed.

5. At the Richland County Fair, a managerial animal is defined as any of the following:

Species: Sheep/Goats

Sex: Intact Male or Female

Breed: Registered, Grade, Crossbred or Commercial

6. Each exhibitor is allowed multiple managerial agreements but is limited to exhibiting only the following at the Richland County Fair:

First year exhibitors will be allowed to show two managerial projects. Second year managerial project members will be allowed to show four animals. Members are encouraged to show the animals from the previous managerial projects, but not required. Third year and beyond managerial project members will be allowed five animals.

7. The Richland County Junior Sheep/Goat Managerial Project Agreement must be signed and filed in the County Extension Office **by June 15** of the project year for eligibility at the Richland County Fair Junior Show. Managerial identification forms need to accompany the animal to the fair.
8. The title of ownership as stated on the registration certificate of a registered managerial animal will remain in the possession of the owner.
9. The owner will make the animal available to the Lessee during the period of the Richland County Junior Sheep Managerial Project Agreement.
10. The owner of the managerial animal agrees not to hold the Lessee liable for any financial loss from injury or death to the managerial animal.
11. The owner is not responsible for injuries to the Lessee and participation in this project will require Lessee and Lessee's parent/guardian to hereby release from liability the owner and all other persons and entities involved with this project (see page 4, Release of Liability form).
12. The Lessee is responsible for all expenses incurred in exhibiting the animal, such as veterinary, transportation, grooming, feed and other miscellaneous expenditures. The Lessee may keep any premiums or awards while exhibiting the animal during the duration of the contract.
13. The Richland County Junior Sheep/Goat Managerial Project Agreement will remain in force until the end of the project year or until terminated by either party. The Richland County Junior Sheep/Goat Managerial Project Agreement may be terminated prior to the end of the project year for reasons such as:
 - a. Failure of Lessee to carry out responsibilities as outlined in the Richland County Junior Sheep/Goat Managerial Project Agreement
 - b. Changes in the farming operation of the owner.
14. The owner, Lessee, a parent or legal guardian of the Lessee and project leader (4-H club leader, Agriculture Education Instructor, Breed Association Advisor or other approved Youth Group Leader) must sign the Richland County Junior Sheep/Goat Managerial Project Agreement.
