

Opportunity

The Wisconsin 4-H Foundation will award more than \$20,000 in scholarships to outstanding Wisconsin 4-H members and alumni pursuing higher education in 2025. To be considered for financial support, applications will be accepted starting December 15, 2024, and must be received by the Wisconsin 4-H Foundation via mail, post marked by March 1, 2025.

Wisconsin 4-H Foundation scholarships are awarded to students based on demonstrated personal growth through 4-H, development and leadership in 4-H, academic performance and future educational goals.

To be eligible for Wisconsin 4-H Foundation scholarships students must have been a Wisconsin 4-H member for at least three years; should have a grade point average of at least 2.5 on a 4.0 scale, and be enrolled or planning to enroll at a university, college or technical school during the 2025-2026 academic school year. Scholarship winners from previous years are not eligible to receive a second 4-H Foundation scholarship.

All applications must adhere to the conventions outlined below. Any application that does not meet these requirements will not be considered.

The application materials represent what youth may be asked to submit when applying for jobs. We encourage applicants to treat this process as if applying for a position.
